Dear Parent/Carers

Welcome back to another busy term. Our senior students started Work Experience placements last week and from all reports they are doing well.

A number of students are scheduled to begin travel training this term and are looking forward to becoming independent. We have a travel trainer working three days a week so if you would like your son or daughter to begin the process please contact the school.

Important Dates:

**Curriculum Day: Monday 5th May:**
Next Monday we will combine with Katandra to complete First Aid Training in the morning and investigate Teacher Performance Development in the afternoon.

School Based Apprenticeship and Traineeship students will still be required to attend school.

It will be a student free day for all other students.

**Twilight Forum: Thursday 29th May:**
Students will be dismissed early at 1pm. Could you please make arrangements for your son or daughter to be cared for at this earlier time.

Staff will be attending a Forum with 3 other schools to investigate Employability for students with Disabilities. This is part of our Partnerships for Learning project.

**Presentations:**
This week I will be presenting The Beyond the School Gates model at the First Asia Pacific Congress on Creating Inclusive Schooling in Sydney. Tony Shaddock a key note speaker will also highlight our model in his address.

Seth Willingham will be in charge of the school on Wednesday, Thursday and Friday.

Seth, Kylie, Rob, Nicole and myself will present to the Special Schools Conference later in May on Employability and investigate the concept as a Myth or Reality.

I will also be presenting on Ticket to Work in Ballarat next week.

**Entertainment Books:**
Once again we will be selling Entertainment Books. If you would like to order please fill out the return slip and return it to school prior to Friday when we will be ordering the books. Payment can be made when you receive your book.

Have a great week,

Regards

Paula Barnett
Dear Berendale people, both young & old,

I hope that you have had a wonderful Easter break and that the Bunny or Bilby did visit you and shower leave much joy, wherever your found it. This year was a big Easter as the Eastern & Western Christians celebrated on the same day, so in my case last Sunday, the Greeks and the Catholics in our family assembled themselves at our place in front of the biggest pile of food that could've fed the whole neighbourhood, of course the feature was the lamb on the spit that was still being served during the week. I must now work some serious kilo’s off.

We also did have ANZAC day, so the man at Bunnings who sold me a badge was a reminder to me of the dawn service that was going to take place at Gallipoli to remember our fallen soldiers, along with the below poem by Laurence Binyon titled “For the Fallen” which is always recited upon sunrise.

“They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.”

Good luck with to all with the term ahead, I look forward to watching the physical & mental growth that is about to take place.

Sincerely,

Kon Peltekis.
Berendale School Council President.
On the 23rd of April, Rachael, Ruby, Suki and I went to the Bayside City Council to see if we might be interested in some work experience there. When we got there our tour guide was Grant Roberts and we went and saw the Mayor (Mayor Evans) and he told us how he runs the Bayside Council and that someone gets elected every year. He has been the mayor since November. We went into his office and took a picture with him and then we met Emily who runs the holiday programs and works as a Youth Worker. We were really surprised at how many different jobs there are at the Council. Thank you very much to Grant it was a wonderful tour.

Basketball

The Inter School Basketball Carnival was held in Dandenong. A great day was had and the sportsmanship shown by our teams was exceptional.
Sub School art have worked in term one of the sculpture for the redevelopment of the art room court yard.
Vocational Education Students have had the opportunity to participate in a new bicycle maintenance unit this year as part of the Automotive course.

Students learn about different kinds of bikes and tools and how to mount the bikes on stands to remove the wheels and change inner tubes before replacing the wheels on the bike.

The students are also servicing the school bikes so that they are ready for bike education classes and completing a service record for their work on each bike.
Lachlan’s Swimming Report

On Sunday April 20th I flew with Virgin Airlines to Sydney Airport. I stayed at the Holiday Inn in Parramatta. I went to the pool at Sydney International Aquatic Centre to do warm ups. Two days before my race 100 freestyle, 100 breaststroke, kick 100, breaststroke arms only 100 breaststroke double kick and 100 breaststroke 100 3 count glide 2x50 25 easy 25 hard then 25 hard 25 easy. went back to the hotel and ate dinner chicken schnitzel. My first race was the 100 metre breaststroke and here is my race score SOPAC - Site License

Based on "go for your life"
Healthy canteen program, Department of Education, Vic 2006
Berendale is a very busy school. We often have to act at the last moment when we are offered opportunities to support our students’ learning programs and keeping our school community informed and up to date is a difficult task. This newsletter is one of the ways in which we try to do this, but the Konnective app is another way that we can help to keep information flowing.

**Konnective** are working closely with the department and the app in its current form is just the beginning – they are hoping that it will become a way for parents to give permission and consent for excursions and other new features in the future.

Many of you have already downloaded the app and have subscribed, we have also started to send messages and photos using the system.

We would like to encourage you to:

- Download the app from either the App Store or the Google Play store on to your device.
- Create an account on the Konnective app.
- Search for Berendale feeds on the Konnective app.

You will automatically be able to receive the General Updates and you can also request to belong to feeds that are more specific to your student or connection with the school.

If anyone would like help, please feel free to give me a call or come to the office and I can help you to get up and running with Konnective.

Seth Willingham, Assistant Principal
